United Nations Headquarters, Conference Room 9

AGENDA

OBJECTIVES

- Provide a brief update on progress achieved under the 10YFP and forthcoming milestones, as well as highlights on the role of 10YFP Stakeholder Focal Points (SFPs);
- Share information on the capacity, current strategies and needs of the SFPs to do activate Major Groups’ networks in the 10YFP and its implementation, identify most relevant channels and ways to enhance communications, mobilization and participation on the ground at all levels;
- Provide recommendations on how to optimize the substantive and coordination role of 10YFP SFPs for a responsive 10YFP;
- Develop an action plan for the 10YFP SFPs, including concrete action points for further engaging Major Groups’ networks through awareness-raising and implementation of the 10YFP programmes;
- Prepare for the First Global 10YFP Meeting and identify key messages for 10YFP SFPs to convey, and plan for potential activities for 10YFP SFPs to support SCP and the 10YFP in the post-2015 development process.

AGENDA

Rapporteur of the meeting: Peter Denton, SFP for the Scientific and Technological Community, WEOG

9:30 – 10:00 10YFP Stakeholder Focal Point’s arrival

10:00-10:30 Welcome and introduction, Ms. Fabienne Pierre, Acting Coordinator of the 10YFP Secretariat

This introduction will provide a brief update on progress achieved under the 10YFP and forthcoming milestones, as well as highlights on the role of 10YFP Stakeholder Focal Points (SFPs) as crucial mobilizers, facilitators and communicators, responding to Major Group stakeholders and sensitizing them to SCP and the 10YFP. An update will be provided on the 10YFP Secretariat’s activities with regards to consultations, information sharing and outreach. The objectives of the meeting will be presented, including the identification of key messages for the First Global 10YFP Meeting and the development of an action plan for the 10YFP SFPs. The introduction will be followed by Q&A (15 minutes).
10:30-11:15 Session 1 - Engaging and raising awareness within Major Groups for SCP and the 10YFP

10YFP Stakeholder Focal Points are uniquely positioned to activate Major Groups’ networks in the 10YFP and its implementation. This session will serve to better understand the capacity and current strategies of the SFPs to do so, and to identify concrete action points to further involve, expand and engage their networks as well as to stimulate interaction and coordination between the Major Groups across and within the programmes of the 10YFP. Focus will be on encouraging the development of joint communications and projects, as well as improved communication between the 10YFP Secretariat and SFPs.

10:30 – 10:45 How to mobilize Major Groups’ networks for the 10YFP, Sue Riddleston, BioRegional, Stakeholder Focal Points, NGOs (global)

The capacity, strategies and needs of SFPs to mobilize networks of stakeholder organizations within their respective major groups. How can this be harnessed to sensitize these stakeholder organizations to SCP and the 10YFP?

10:45-11:15 Interactive discussion

- What are the current capacities, strategies and needs of the SFPs to engage their major groups in the 10YFP and its implementation? How to promote a dialogue on SCP among Major Groups at all levels for joint action? What are the key messages of the 10YFP SFPs to the Global Meeting of the 10YFP in this regard?
- Which priority activities could be included in the 10YFP SFPs’ action plan to further engage major groups (capacity-building, position papers, working groups on the Global SCP Clearinghouse, etc.)?
- How can communication with the 10YFP Secretariat be improved to enhance the capacity of SFPs to engage their networks in the 10YFP programmes? How the 10YFP Secretariat can best keep SFPs informed about 10YFP activities, so that they can most effectively raise awareness and engage stakeholders in their respective major group?

11:15-11:30 Coffee break

11:30 – 12:15 Session 2 - Substantive role of the SFPs for an inclusive and responsive 10YFP

The 10YFP SFPs, at global and regional level, have a thorough understanding of the interests, needs and challenges of the major groups they represent. This session will aim at identifying most effective ways of mobilizing this knowledge and expertise in order to inform the 10YFP programmes so that these interests, needs and challenges are fully integrated, and emerging issues relevant to major groups duly addressed in a relevant and actionable way. The objective of the session will also be to explore the most relevant strategies and channels for 10YFP SFPs to encourage regular consultations within their constituencies.

11:30-11:45 How to engage Major Groups in the design of the 10YFP programmes and strategic cross-cutting activities, Juan José Galeano, President, Asociación Civil Generación Par, SFP for Children and Youth, Latin America and the Caribbean

11:45-12:15 Interactive discussion

1) How to make sure 10YFP programme implementation fully integrates or responds to major groups’ interests, needs and challenges? How to improve inclusiveness of the programme development process? What are the most relevant channels for consultation with major groups? What is the role of the SFPs in this process and how to use the Global SCP Clearinghouse to enhance communication?

2) How can SFPs act as trailblazers and help the 10YFP programmes remain responsive to major groups’ emerging issues? What activities could be included in the SFPs’ action plan?
With the support of the European Commission and Norway

12:15-13:15 Session 3 – Engaging stakeholders in the implementation of the 10YFP programmes

The objective of this session will be to present opportunities for stakeholders to participate in the implementation of the programmes, to discuss the role of SFPs in mobilizing their major groups for the development and implementation of projects on the ground across and within the 10YFP programmes, and to identify concrete priority activities for inclusion in the SFPs’ action plan.

12:15-12:30 Reaching out to major groups for the implementation of the 10YFP, Ms. Fabienne Pierre, Acting Coordinator, 10YFP Secretariat

This presentation will provide an overview of the processes and tools available to become an implementation partner of the 10YFP programmes, as well as of the 10YFP resource mobilization strategy, providing the context for 10YFP SFPs to further plan on the best strategies for them to engage their major groups on the ground at regional, national and local levels.

12:30-13:15 Interactive discussion

1) Mapping of stakeholders and initiatives relevant to the 10YFP programmes in the regions: how to identify and reach out to specific stakeholder organizations, by region and by major group, as potential candidates for each of the 10YFP programme areas?

2) How to reach out to major groups organizations and civil society on the ground: national and local civil society? How to enhance the communication with them? What resources are needed and which are the best, most effective strategies to raise funds? Key messages for the 10YFP SFPs to be conveyed at the First Global Meeting of the 10YFP?

3) Possibility of the SFPs developing a flagship project proposal together around a 10YFP programme.

13:15-13:30 Closing of the morning session (TBC)

Key messages and potential action points to be developed in the afternoon breakout session. Recap of the crucial role to be played by SFPs in mobilizing stakeholders for concrete implementation of the 10YFP.

13:30 – 15h00 Lunch
