

# Programme of Work Outputs by Regions contributing to BSP Implementation

---

## Africa

### Servicing / conducting meetings

Assistance in the effective implementation of MEAs through joint servicing of Stakeholders Meeting on the revitalization of the Abidjan Convention and the Meeting of Signatories to the memorandum of understanding concerning conservation measures for Marin	Subprogramme 2 / DELC
Meeting of the contracting parties to the convention for cooperation in the protection and development of the marine and coastal environment of West and Central African region.	Subprogramme 2 / DELC
Network meeting for Ozone Depleting Substances (ODS) Officers from English-speaking Africa and Customs Enforcement Network meeting for COMESA region to enable exchange of experiences on the implementation of TPMP and the setting up of Customs Enforcement	Subprogramme 5 / DRC
Support to the Intergovernmental and other ministerial process at the Fourth Tokyo International Conference on Africa (TICAD IV)	Subprogramme 5 / DRC
Technical inputs to the Forum for Energy Ministers of Africa (FEMA) Technical Advisory Committee (TAC)	Subprogramme 5 / DRC

### Networks, partnerships

Regional environmental information network –AEIN.	Subprogramme 1 / DEWA
---	-----------------------

### Web based applications

Africa GEOPortal; <a href="http://gridnairobi.unep.org/Portal/">http://gridnairobi.unep.org/Portal/</a>	Subprogramme 1 / DEWA
E-learning course for environmental institutions in Africa.	Subprogramme 1 / DEWA

### Reports, Publications

Assessment of surface water and groundwater vulnerability due to environmental and climate change in Africa.	Subprogramme 1 / DEWA
Environmental accounting of national economic systems of West African dry land nations.	Subprogramme 1 / DEWA
Land health surveillance report to guide climate change adaptation and mitigation strategies and ecosystem management in African One UN countries: Mozambique, Rwanda and Tanzania	Subprogramme 1 / DEWA
Access to genetic resources in Africa: analysing access to genetic resources and benefit sharing arrangements in four African countries (Botswana, Ghana, Uganda, Zambia); <a href="http://www.ias.unu.edu/resource_centre/ABS%20in%20Africa.pdf">http://www.ias.unu.edu/resource_centre/ABS%20in%20Africa.pdf</a>	Subprogramme 2 / DELC
Compendium of Environmental Laws of African countries: sectoral environmental laws and regulations.	Subprogramme 2 / DELC

### Field Missions

Field mission to the Democratic Republic of Congo (DRC) to identify the scope of potential areas for environmental assistance to DRC in key areas which are currently being developed into a major UNEP programme for DRC.	Subprogramme 5 / DRC
--	----------------------

### Technical cooperation

Technical advisory services to Rwanda to support the establishment of a national, district and sector level environment information network.	Subprogramme 1 / DEWA
Technical advisory services to Tanzania for assessment of the status of environment information systems, data and information needs, availability and gaps and networking activities.	Subprogramme 1 / DEWA

## Africa

Technical mission to Mozambique for implementation arrangements of African Environmental Information Network (AEIN) in the country and preparation of the state of the environment report for Mozambique.	Subprogramme 1 / DEWA
Legal assistance to Mozambique for the preparation of draft regulations on access to genetic resources and benefit sharing.	Subprogramme 2 / DELC
Regional workshops in Mozambique and Algiers for climate change negotiators.	Subprogramme 2 / DELC
Technical assistance to Mozambique for development and implementation of regulations to ensure coastal marine enforcement of the Rio MEAS with a focus on poverty reduction.	Subprogramme 2 / DELC
Training course for government officials of Mozambique to test the training manual in environmental law.	Subprogramme 2 / DELC
Training for district community service committees of Mpigi, Uganda, to use community service actions on environmental laws implementing Rio MEAs and poverty reduction activities as well as access to justice.	Subprogramme 2 / DELC
Training for inspectors, prosecutors and criminal investigators of Uganda on environmental prosecution.	Subprogramme 2 / DELC
Training on the agreement on the conservation of African-Eurasian migratory water birds, in preparation for MOP4, Madagascar.	Subprogramme 2 / DELC
Advisory and policy level missions to great apes range states to promote great ape and ecosystem conservation and development strategies.	Subprogramme 3 / DEPI
Advisory services to Botswana to provide technical and policy guidance for incorporating environmental aspects of water into national development plans within UNDAF process.	Subprogramme 3 / DEPI
Assistance in the development of environmental city development strategies for the municipalities of Tripoli and Tbilisi.	Subprogramme 3 / DEPI
Capacity building of national authorities of Sudan for the sustainable use of natural resources and the rehabilitation of degraded areas.	Subprogramme 3 / DEPI
Capacity building of the Government of Ivory Coast and others in the region for hazardous waste management and trans-boundary movement of hazardous waste.	Subprogramme 3 / DEPI
Co-organisation of GRASP stakeholder workshop in DR Congo.	Subprogramme 3 / DEPI
Co-organisation of training workshop on mainstreaming coastal and marine environmental management issues in national planning and budgetary processes, Mauritius.	Subprogramme 3 / DEPI
Co-organisation of training workshops on improving municipal waste water management in Kenya.	Subprogramme 3 / DEPI
Development and adoption of the Eastern Africa Regional Agreement on Air Pollution by to address the increasing challenge of air pollution in urban areas.	Subprogramme 3 / DEPI
Economic valuation pilot studies for estimating value of ecosystem services in Sudan.	Subprogramme 3 / DEPI
Emergency response fact-finding missions in DR Congo and Zanzibar.	Subprogramme 3 / DEPI
Environmental assessment of oil-impacted sites in the Ogoni region of the Niger Delta.	Subprogramme 3 / DEPI
Environmental Policy support to the One UN programme in Rwanda	Subprogramme 3 / DEPI
Field demonstration project in Mozambique on climate change adaptation through ground water recharge and other management methods.	Subprogramme 3 / DEPI
Field demonstration project on Decentralized Wastewater Treatment and Disposal through a horizontal Subsurface Flow Constructed Wetland, Seychelles.	Subprogramme 3 / DEPI

## Africa

Field demonstration project on use of tools for sustainable forest management and conservation through participatory development of management planning and benefit sharing for the Masai Mau forest of Kenya.	Subprogramme 3 / DEPI
Field project on Solid Waste Management in Port Louis Harbour - Mauritius	Subprogramme 3 / DEPI
Field project on Wastewater management in Pemba Island - Tanzania	Subprogramme 3 / DEPI
Field project to determine the potential use of native species to control soil erosion within the Black River Gorges National Park, Mauritius	Subprogramme 3 / DEPI
Field projects in Africa to provide best practice examples of natural resource conservation and poverty alleviation in great ape habitats	Subprogramme 3 / DEPI
Field projects in Cameroon to strengthen wildlife law enforcement and indigenous people participation in mapping of traditional forest resources for sustainable livelihoods and great ape conservation.	Subprogramme 3 / DEPI
Organisation of workshops on clean fuels and vehicles in Ethiopia and Togo.	Subprogramme 3 / DEPI
Pilot study on Payment for Ecosystem Services (PES) in Senegal	Subprogramme 3 / DEPI
Post-conflict environmental assessment in Rwanda.	Subprogramme 3 / DEPI
Sub-regional workshop on leaded gasoline phase-out in North Africa	Subprogramme 3 / DEPI
Support to Global Atmospheric Pollution Forum in Africa.	Subprogramme 3 / DEPI
Support to Make Road Safe Campaign in Africa.	Subprogramme 3 / DEPI
Support to national sensitization activities on sulphur reduction in Benin, Malawi, Mali, Ethiopia., Gambia	Subprogramme 3 / DEPI
Support to the integrated solid waste management plan for Nairobi.	Subprogramme 3 / DEPI
Technical and financial support to Kenya to implement demonstration project on wetland-lagoon system for wastewater management at Shimo La Tewa Prison, Mombasa, Kenya	Subprogramme 3 / DEPI
Technical assistance and support to Afghanistan capacity-building programme.	Subprogramme 3 / DEPI
Technical assistance for Democratic Republic of Congo multi-component post-conflict recovery programme.	Subprogramme 3 / DEPI
Technical support to use of ecosystem approach tools in integrated water resource management in West Africa.	Subprogramme 3 / DEPI
Training courses on Municipal Wastewater Management in Egypt, Ghana, Kenya, Nigeria, Tanzania	Subprogramme 3 / DEPI
Training workshop on Ecosystem Approaches to Coastal and Ocean Management: Focus on Ecosystem- Based Management in Eastern Africa.	Subprogramme 3 / DEPI
African regional dialogue on the Strategic Approach to International Chemicals Management (SAICM), Tanzania.	Subprogramme 4 / DTIE
African Rural Enterprise Development (AREED) II programme activities in Ghana, Mali, Senegal, Tanzania and Zambia.	Subprogramme 4 / DTIE
Capacity Building for Planning and Implementation of Sustainable Transport in the region	Subprogramme 4 / DTIE
Capacity building of project developers from Benin, Cameroon, Gabon, Ghana, Madagascar, Mali, Mozambique, Senegal, Zambia, DR Congo to generate African carbon credits by promoting forestry and bioenergy projects on reforestation, agroforestry and forest a	Subprogramme 4 / DTIE

## Africa

Capacity development of participating countries Algeria, Mauritius and Tanzania to participate in the global carbon market through development of attractive Clean Development Mechanism (CDM) projects backed by transparent and effective national implementa	Subprogramme 4 / DTIE
Country project in Cameroon on the impact of trade liberalization in the cacao sector on biodiversity.	Subprogramme 4 / DTIE
Country project in Madagascar on the impact of trade liberalization in the shrimp aquaculture sector on biodiversity.	Subprogramme 4 / DTIE
Country project in Mauritius on the impact of trade liberalization in the sugar sector on biodiversity.	Subprogramme 4 / DTIE
Country project in Uganda on the impact of trade liberalization in the horticulture sector on biodiversity.	Subprogramme 4 / DTIE
Demonstration projects to develop National Sustainable Consumption and Production (SCP) programmes in Mauritius	Subprogramme 4 / DTIE
eCommerce and renewable Energy (eCARE) initiative in Ghana to accelerate the extension of clean energy and modern telecommunication services to rural and peri-urban users.	Subprogramme 4 / DTIE
Industrial pollution and CO2 emission abatement projects in Egypt and Morocco.	Subprogramme 4 / DTIE
National workshops on the implementation of the Chemical Information Exchange Network (CIEN) project - Africa Region	Subprogramme 4 / DTIE
Project for establishment of Seed Capital Assistance Facility (SCAF) to help early stage clean energy enterprises and projects to access start-up seed capital from commercial energy investors in Africa.	Subprogramme 4 / DTIE
Project in southern and Eastern Africa for introducing marine certification as a tool for achieving sustainable fisheries.	Subprogramme 4 / DTIE
Regional consultations on options for control of mercury, Tanzania.	Subprogramme 4 / DTIE
Regional meeting on mercury for African region	Subprogramme 4 / DTIE
Regional workshop for the French speaking countries to present and discuss the regional monitoring plan elements for Persistent Organic Pollutants and obtain commitments for their implementation, Togo.	Subprogramme 4 / DTIE
Regional workshop on SAICM implementation- development of legal and institutional infrastructures on sound management of chemicals, Tanzania.	Subprogramme 4 / DTIE
Scoping mission to Uganda to introduce CC DARE project (Climate Change and Development – Adapting by Reducing Vulnerability) to the government and local stakeholders.	Subprogramme 4 / DTIE
Sustainable procurement workshop in Kenya.	Subprogramme 4 / DTIE
Training workshop on Integrated Solid Waste Management, Mauritius	Subprogramme 4 / DTIE
Training workshop on the implementation of integrated solid waste management plan for Maseru city of Lesotho.	Subprogramme 4 / DTIE
Workshop in Benin on strengthening of national focal point capacity to implement Stockholm Convention and strengthening of the information system using the Chemicals Information Exchange Network (CIEN) programme.	Subprogramme 4 / DTIE
Workshop on Strengthening capacities on Chemicals Information Exchange Network (CIEN) programme to implement the Stockholm Convention, Benin	Subprogramme 4 / DTIE
Workshop on the implementation of monitoring plan on persistent organic pollutants in the region, Kenya.	Subprogramme 4 / DTIE

## Africa

Capacity building training programme for Young African Environmental leaders at the UNEP-Tongji Institute of Environment for sustainable Development.	Subprogramme 5 / DRC
Consultative meeting for the African Beverage Industries Water Saving Initiative.	Subprogramme 5 / DRC
Consultative meeting on Coca-Cola sustainable Communities and Water stewardship.	Subprogramme 5 / DRC
Co-organized and provided inputs to the southern Africa Policy Dialogue on Air Pollution.	Subprogramme 5 / DRC
Development of the pilot Sustainable Consumption and Production (SCP) Activity for Tanzania	Subprogramme 5 / DRC
Green Customs Initiative Workshop for Ethiopia and Djibouti	Subprogramme 5 / DRC
National workshop on the Flamingo Action Plan, Kenya.	Subprogramme 5 / DRC
Technical assistance in the preparation for the Terminal Phase-out Management Plans (TPMPs) for Angola, Benin and Swaziland.	Subprogramme 5 / DRC
Technical assistance to African countries (Burkina Faso, Uganda, Tanzania, Rwanda, Mozambique, Mauritania, Kenya, Mali, Malawi) in the formulation of their respective medium/long term PEI programmes to mainstreaming environment into their national develop	Subprogramme 5 / DRC
Technical inputs on the basic approach and methodological tools in developing the sustainable consumption and production programme for Cairo City.	Subprogramme 5 / DRC
Technical inputs to meeting of the International Study Group (ISG) on mining regimes in Africa.	Subprogramme 5 / DRC
Technical inputs to the Energy Efficiency workshop in Egypt organized by UNIDO and the Egypt National Cleaner Production Centre	Subprogramme 5 / DRC
Technical inputs to the National Stakeholder Review workshop for the Project on Trade and biodiversity Assessment in Mauritius and Uganda.	Subprogramme 5 / DRC
Technical inputs to the workshop of the International Conference on the Great Lakes Region focusing on environmental issues in Burundi	Subprogramme 5 / DRC
Technical inputs to the Workshop on Integrated Solid Waste Management (ISWM) for Maseru City, Lesotho	Subprogramme 5 / DRC
Thematic meeting on Terminal Phase-out Management Plans (TPMP) implementation for Ozone officers Network for French-speaking Western and Northern Africa.	Subprogramme 5 / DRC
Training of National Customs Officers on the enforcement of ODS regulations, identification of ODS in Gambia, Malawi and Zambia	Subprogramme 5 / DRC
Training of Ozone officers and Country Programme implementation modalities for Eritrea	Subprogramme 5 / DRC
Training of technicians on techniques of retrofitting refrigeration at national workshops on the retrofitting of small refrigeration equipment in Comoros, Liberia, Madagascar and Mali	Subprogramme 5 / DRC
Train-the-trainers workshop for refrigeration technicians and customs officers in Chad	Subprogramme 5 / DRC
Workshop to develop the Lesser Flamingo Action Plan in Nairobi, Kenya.	Subprogramme 5 / DRC
OARE training programmes in Madagascar, Cameroon, Sudan and Burundi.	Subprogramme 6 / DCPI
Play for the Planet initiative	Subprogramme 6 / DCPI
Training workshop for the Media in the region in Benin.	Subprogramme 6 / DCPI

## Asia and the Pacific

---

## Asia and the Pacific

### Tools, Manuals, Information materials

Building Nepal's private sector capacity for sustainable tourism operations: a collection of best practices and resulting business benefits;  
<http://www.unep.fr/shared/publications/pdf/DTIx1060xPA-MASTNepal.pdf>

Subprogramme 4 / DTIE

---

### Servicing / conducting meetings

Working Group Meeting on the future development of the East Asia Acid Deposition and Monitoring Network (EANET).

Subprogramme 5 / DRC

Working Group on Environment of the Greater Mekong sub-region, Luang Prabang Lao

Subprogramme 5 / DRC

---

### Field Missions

Field mission to India to assess environmental national priorities with Government officials.

Subprogramme 5 / DRC

Needs assessment mission for the revision of existing Environmental Protection and Preservation Act of Maldives.

Subprogramme 5 / DRC

---

### Technical cooperation

Technical assistance to Vietnam to implement section F of the Bali Strategic Plan (BSP).

Subprogramme 1 / DEWA

Regional workshops in Thailand and small island states for climate change negotiators.

Subprogramme 2 / DELC

South-South Cooperation Workshop on Waste Management, Law and Governance, international forum for experts from developing countries, Indonesia.

Subprogramme 2 / DELC

Co-organisation of University of Helsinki –UNHabitat-UNEP course on sustainable communities, Thailand.

Subprogramme 3 / DEPI

Economic valuation pilot studies for estimating value of ecosystem services in LAO PDR.

Subprogramme 3 / DEPI

Emergency response fact-finding missions in Myanmar and China.

Subprogramme 3 / DEPI

Field projects in Asia to provide best practice examples of natural resource conservation and poverty alleviation in great ape habitats

Subprogramme 3 / DEPI

Field projects in Borneo and Sumatra to identify areas for palm oil development, conservation and sustainable land use.

Subprogramme 3 / DEPI

Field projects to build disaster risk reduction capacities of coastal zone managers in the region.

Subprogramme 3 / DEPI

Support to Afghanistan, Mongolia, Macedonia and LAO PDR on phasing-out leaded petrol.

Subprogramme 3 / DEPI

Technical assistance to environmental early recovery programme of Nepal.

Subprogramme 3 / DEPI

Technical assistance to Philippines to promote the incorporation of rainwater harvesting into integrated water resources management.

Subprogramme 3 / DEPI

Capacity Building for Planning and Implementation of Sustainable Transport in the region

Subprogramme 4 / DTIE

Capacity development of participating country Bangladesh to participate in the global carbon market through development of attractive Clean Development Mechanism (CDM) projects backed by transparent and effective national implementation procedures.

Subprogramme 4 / DTIE

China Rural Energy Enterprise Development (CREED) programme to improve access to modern energy services for poverty alleviation whilst preserving biodiversity in the Northwest part of Yunnan and neighboring areas in Western China.

Subprogramme 4 / DTIE

## Asia and the Pacific

Country project in Papua New Guinea on the impact of trade measures in the export crop sector on biodiversity in the staple food sector.	Subprogramme 4 / DTIE
Demonstration projects to develop National Sustainable Consumption and Production (SCP) programmes in Indonesia	Subprogramme 4 / DTIE
Field demonstration project in Vietnam for reforming trade and fisheries policies, re-shaping supply chains and enhancing consumer demand for sustainable fisheries management.	Subprogramme 4 / DTIE
Field project in Sri Lanka for the development of integrated solid waste management plan for Matale City.	Subprogramme 4 / DTIE
Mercury inventory pilot project results workshop, Japan.	Subprogramme 4 / DTIE
National stakeholder workshop in China on hazardous chemicals from open burning of waste.	Subprogramme 4 / DTIE
Network of National Climate Change Focal Points in Southeast Asia for support action on climate change	Subprogramme 4 / DTIE
Pacific Island workshop on SAICM; development of project for submission to the Quick Start Programme Trust Fund, Samoa.	Subprogramme 4 / DTIE
Project on bus rapid transit and pedestrian lane improvements in Jakarta, Indonesia.	Subprogramme 4 / DTIE
Project on establishment of Seed Capital Assistance Facility (SCAF) to help early stage clean energy enterprises and projects to access start-up seed capital from commercial energy investors in Asia and the Pacific.	Subprogramme 4 / DTIE
Project to develop E-waste Management Plan for Phnom Penh city in the Kingdom of Cambodia	Subprogramme 4 / DTIE
Regional training course for the development of integrated solid waste management plan, Indonesia.	Subprogramme 4 / DTIE
Training of National Cleaner Production Centres (NCPCs) and Small and Medium size Enterprises (SMEs) on sustainable products in Vietnam	Subprogramme 4 / DTIE
Workshop for development of integrated solid waste management plan for Matale City of Sri Lanka.	Subprogramme 4 / DTIE
Workshop on Development of Integrated Solid Waste Management Plan for Matale City, Sri Lanka	Subprogramme 4 / DTIE
Workshop on Environmental Education on Water and Sanitation Issues, Asia Cooperation Dialogue (ACD) in Otsu , Japan.	Subprogramme 4 / DTIE
Workshop on needs and challenges for information exchange of the spread of and potential exposure to chemicals from articles, Thailand.	Subprogramme 4 / DTIE
Workshop on promoting marketing assistance for sustainable tourism product in Nepal.	Subprogramme 4 / DTIE
Workshop on South - South Cooperation for Waste Management, Bali - Indonesia	Subprogramme 4 / DTIE
Workshop on Stakeholders' Information Needs on Chemicals in Articles/Products	Subprogramme 4 / DTIE
Capacity Building in Development of Policy Frameworks for Promotion of Low Carbon Emission Societies in Central Asian sub-region	Subprogramme 5 / DRC
Capacity building meeting for the Multi-year Training Programme for Senior DPRK experts on pollution control, environment and natural resources management, sustainable development and energy.	Subprogramme 5 / DRC
Capacity building workshop on Economic Development, Poverty Reduction, Environment and Climate change	Subprogramme 5 / DRC

---

## **Asia and the Pacific**

Fifth Asia Pacific Leadership Programme on environment for sustainable Development.	Subprogramme 5 / DRC
Judicial seminar on the 10th anniversary of the Aarhus Convention, held in Kazakhstan.	Subprogramme 5 / DRC
National Workshop on Air Pollution and Asthma, India	Subprogramme 5 / DRC
National Workshops on Climate change law and policy, in Cambodia and Vietnam	Subprogramme 5 / DRC
Northeast East Asia Sub-regional Education for Sustainable Development (ESD) Coordination and Capacity Building Workshop, China	Subprogramme 5 / DRC
Pacific Media Training workshop on Climate Change	Subprogramme 5 / DRC
Pilot demonstration projects on eco-housing in Asia and the Pacific region.	Subprogramme 5 / DRC
Regional consultations on Mangroves for the Future (NFF) initiative.	Subprogramme 5 / DRC
Regional training on climate change and sound & sustainable management of chemicals for workers and trade unions.	Subprogramme 5 / DRC
Regional workshop on Lessons Post-Tsunami Livelihoods and Coastal Ecosystem Management.	Subprogramme 5 / DRC
Seminar on Data Management and integration of Central Asia Eco-portal into Environmental Knowledge Hub (eKH)	Subprogramme 5 / DRC
Technical advice to intergovernmental and regional stakeholders meeting of Malé Declaration	Subprogramme 5 / DRC
Technical assistance and support to Asia and the Pacific Countries (Bangladesh, Bhutan) for the development of their respective medium/long term PEI- programme to mainstream environment into national development policy processes.	Subprogramme 5 / DRC
Technical assistance to the Compliance Assistance Programme (CAP) seminar on Public Awareness in Thailand.	Subprogramme 5 / DRC
Technical assistance to the Mangroves for the Future (MFF) Regional Steering Committee meeting in Thailand	Subprogramme 5 / DRC
Technical inputs for the effective implementation of the Aarhus Convention by the Central Asian countries	Subprogramme 5 / DRC
Technical inputs to the Asia Journalists Forum on Climate Change	Subprogramme 5 / DRC
Technical inputs to the formulation of priority project activities and strategy for the ASEAN Environment Action Plan	Subprogramme 5 / DRC
Technical inputs to the National Stakeholders workshop for East Timor	Subprogramme 5 / DRC
Technical inputs to the Northeast Asia sub-regional meeting on climate change	Subprogramme 5 / DRC
Training Course on Economic Development, Poverty Reduction, Environment and Climate Change: Environmental Economics for South-east Asian Policy Makers ,Thailand	Subprogramme 5 / DRC
Training Programme on Rapid Urban Assessment under the Male Declaration, Thailand.	Subprogramme 5 / DRC
Workshop on National Sustainable Development strategy (NSDS) for Lao PDR.	Subprogramme 5 / DRC
Training workshop for the Media from South Asia, Central Asia, Greater Mekong subregion.	Subprogramme 6 / DCPI

## **Europe**

### **Tools, Manuals, Information materials**

---

## Europe

Information materials to stakeholders in the region on Sustainable Consumption and Production, Greenhouse gas emissions, global warming and Environmental diplomacy Subprogramme 5 / DRC

### Servicing / conducting meetings

Advisory Committee Meeting of the Mountain Partnership Secretariat Subprogramme 5 / DRC

Consultative meetings with European Countries and development agencies on development and implementation of projects in the framework of the environment and Security Initiative (ENVSEC) project pipeline for the South East Europe (SEE) region. Subprogramme 5 / DRC

Meetings on protocols to the Framework Convention for the Protection of the Marine Environment of the Caspian Sea, Tehran Conventions and Carpathian Conventions. Subprogramme 5 / DRC

Meetings on the development of the Caucasus mountains cooperation. Subprogramme 5 / DRC

Regional Civil Society Meeting for Europe in preparation for the 10th session of the UNEP Global Civil Society Forum (GCSF-10). Subprogramme 5 / DRC

Support to meetings of the MEAs, including the Carpathian Convention, Tehran Conventions, Aarhus Convention and Convention on Biological Diversity (CBD). Subprogramme 5 / DRC

### Reports, Publications

Official documents for the meetings of the COPs to the Carpathian Convention and Tehran Conventions. Subprogramme 5 / DRC

### Field Missions

Environmental performance review missions to countries of Eastern Europe, the Caucasus and Central Asia. Subprogramme 5 / DRC

### Technical cooperation

Technical assistance to the government of Turkey for developing a legal framework for implementing obligations of UNFCCC and the Kyoto Protocol. Subprogramme 2 / DELC

Assistance in the development of environmental city development strategies for the municipalities of Tbilisi. Subprogramme 3 / DEPI

Emergency response fact-finding mission in Albania. Subprogramme 3 / DEPI

National level support to cleaner fuel and vehicles in EECCA countries. Subprogramme 3 / DEPI

Post-disaster needs assessment in Ukraine. Subprogramme 3 / DEPI

Support to Serbia and Macedonia on phasing-out leaded petrol. Subprogramme 3 / DEPI

Training sessions in Clean Fleet Management toolkit in CEE countries. Subprogramme 3 / DEPI

Central and Eastern European regional dialogue on the Strategic Approach to International Chemicals Management (SAICM), Romania. Subprogramme 4 / DTIE

Promotion of Credit Delivery Mechanisms for Solar Energy technology in Indonesia by initiating a credit facility in the Aceh region to help entrepreneurs in the agriculture and fishing industries purchase solar biomass hybrid dryers. Subprogramme 4 / DTIE

Sustainable procurement workshop in Italy. Subprogramme 4 / DTIE

Technical assistance to Slovakia and Czech Republic on energy management performance related energy savings scheme. Subprogramme 4 / DTIE

Consultative session with Russian Federation participants analyzing the current state of environmental affairs and concrete measures to be initiated and proposed to the government to improve the environmental situation in Russia. Subprogramme 5 / DRC

National workshops on the development of the Caucasus Mountain Cooperation for stakeholders from Armenia, Azerbaijan and the Russian Federation. Subprogramme 5 / DRC

---

## Europe

Organization and servicing of Environmental Diplomacy training course at the University of Geneva	Subprogramme 5 / DRC
Seminar for the Western Balkans region on Implementation of the International Multilateral Agreements in the Field of Biological and Landscape Diversity	Subprogramme 5 / DRC
Stakeholder's workshop for an integrated sustainable development programme across borders in the area of Montenegro, Albania and Kosovo.	Subprogramme 5 / DRC
Technical assistance to the Russian Federation on the Sochi 2014 Olympic Games.	Subprogramme 5 / DRC
Technical contributions to meetings of the Economic Commission for Europe (ECE)'s Committee on Environment Policy on the outcome of the Belgrade Conference and the Environment for Europe Process.	Subprogramme 5 / DRC
Technical inputs to capacity building seminar on Managing a sustainable future for cities and regions in Europe, Germany.	Subprogramme 5 / DRC
Technical inputs to European Conference on Changing climate and changing biodiversity in South-East Europe (SEE) in Belgrade,	Subprogramme 5 / DRC
Technical inputs to the Defence and Environment Conference in France	Subprogramme 5 / DRC
Technical inputs to the EU conference on Managing a sustainable Future for Cities and Regions/Urban Europe 25	Subprogramme 5 / DRC
Technical inputs to workshop during the European Union Green Week 2008	Subprogramme 5 / DRC
Technical support to the meeting of the European Livestock Breeds Ark and Rescue Net (ELBARN), within the framework of the Carpathian project.	Subprogramme 5 / DRC
Training on environmental Impact Assessment in a transboundary context in the Caspian Sea	Subprogramme 5 / DRC
Workshop on Establishing Ecological Networks covering regional approaches contributing to the development of a global network of protected areas, in particular in the Himalaya – Karakoram – Hindu Kush, the Caucasus, the Andean and the Balkans / Dinaric Ar	Subprogramme 5 / DRC

## Latin America and the Caribbean

### Servicing / conducting meetings

Expert group meeting on Access to Genetic Resources Forum of Ministers of environment of Latin America and the Caribbean.	Subprogramme 5 / DRC
Expert Group meetings on Climate Change in Chile.	Subprogramme 5 / DRC
Meeting of the Technical Advisory Committee on Geo-Spatial Information and Earth Observation Systems of the Working Group on Environmental Indicators	Subprogramme 5 / DRC
Meeting on sustainable Consumption and Production for the Caribbean in Trinidad and Tobago.	Subprogramme 5 / DRC
Mesoamerica Forum in preparation of the Latin America and Caribbean Civil society Forum.	Subprogramme 5 / DRC

### Web based applications

LAC GEOPortal; <a href="http://www.geodatos.org">http://www.geodatos.org</a>	Subprogramme 1 / DEWA
--	-----------------------

### Reports, Publications

Environmental Law Series: Access to Environmental Law and Comparative Jurisprudence.	Subprogramme 5 / DRC
Environmental Law Series: The Role and Competence of Environmental Prosecutor's Offices in the Region.	Subprogramme 5 / DRC

## Latin America and the Caribbean

Publication of prototypes of environmental education texts for the basic formal educational system for Elementary School and High School	Subprogramme 5 / DRC
Publications in Natural Resources - Rainwater Catchment Manual for Rural Areas and Rainwater Catchment Manual for Urban Areas	Subprogramme 5 / DRC
<b>Field Missions</b>	
Field missions to Haiti, Dominican Republic and Cuba for project on the creation of the Caribbean Biological Corridor.	Subprogramme 5 / DRC
<b>Technical cooperation</b>	
National training and capacity building in vulnerability, adaptation and mitigation of climate change at watershed level in Panama	Subprogramme 1 / DEWA
National training in the use of Geographic Information Systems as a component for monitoring climate change, and risk reduction at watershed level in Panama	Subprogramme 1 / DEWA
Regional workshop on eco-region and watershed based assessments for LAC, using the guidelines from eco-region assessment adapted from the GEO IEA methodology	Subprogramme 1 / DEWA
Sub-regional workshop on GEO Health thematic assessment based on Brazilian and Argentine experiences	Subprogramme 1 / DEWA
Technical advisory services and capacity building to Guatemala for the elaboration of environmental perspectives of the country in GEO Guatemala 2009.	Subprogramme 1 / DEWA
Technical advisory services and capacity building to Panama in the use of the GEO methodology for the integrated environmental assessment at the country level.	Subprogramme 1 / DEWA
Technical advisory services for the production of a City Environment Outlook to the City of Puerto Montt of Chile.	Subprogramme 1 / DEWA
Technical advisory services to Uruguay in the form of capacity building in integrated environmental assessments at national and subnational level.	Subprogramme 1 / DEWA
Training of Youth of the southern countries of LAC in assessment methodology and processes.	Subprogramme 1 / DEWA
Training workshop in Guatemala on Integrated Environmental Assessment methodologies in LAC implementing BSP	Subprogramme 1 / DEWA
Workshop for capacity building on the preparation of state of the environment reports at sub-basin level in the High Andes of Peru	Subprogramme 1 / DEWA
Assistance to Costa Rica for the development of a new legislation on solid waste management and disposal.	Subprogramme 2 / DELC
Assistance to Panama for the review of a new legislation on environmental auditing.	Subprogramme 2 / DELC
Regional workshop in Chile for climate change negotiators.	Subprogramme 2 / DELC
Sub regional workshop on access to environmental justice for Andean countries.	Subprogramme 2 / DELC
Technical assistance for drafting of a model regulation for the establishment of national prosecutors offices on environmental issues in LAC countries.	Subprogramme 2 / DELC
Technical assistance to PARLATINO parliamentarians of Commission on Environment and Tourism for drafting of model law on ecotourism.	Subprogramme 2 / DELC
Development and adoption of regional sulphur target in fuels to promote the reduction of sulphur content in fuels with an emphasis on countries with air quality problems in their metropolitan areas.	Subprogramme 3 / DEPI
Emergency response fact-finding missions in Bolivia and Ecuador.	Subprogramme 3 / DEPI
Field projects on addressing bycatch of marine mammals in the Southeast Pacific being undertaken in five countries of the Southeast Pacific	Subprogramme 3 / DEPI

## Latin America and the Caribbean

Support to cleaner fuel and vehicles in Chile.	Subprogramme 3 / DEPI
Support to LAC ministerial process for adoption of regional sulphur target in fuels.	Subprogramme 3 / DEPI
Technical advice and assistance in establishing the Caribbean Regional Fund for Wastewater Management (CReW) to enable the national/local governments as well as private sector/civil society stakeholders of the Caribbean Basin to co-finance projects and ac	Subprogramme 3 / DEPI
Technical assistance to Antigua and Barbuda to promote the incorporation of rainwater harvesting into integrated water resources management.	Subprogramme 3 / DEPI
Technical assistance to integrating adaptation to climate change into integrated water resource management in the Caribbean.	Subprogramme 3 / DEPI
Training courses on Municipal Wastewater Management in Guyana, Jamaica , Barbados, Trinidad and Tobago, Kiribati, Tonga	Subprogramme 3 / DEPI
Capacity Building for Planning and Implementation of Sustainable Transport in the region	Subprogramme 4 / DTIE
Capacity development of participating countries Nicaragua, Peru and Suriname to participate in the global carbon market through development of attractive Clean Development Mechanism (CDM) projects backed by transparent and effective national implementatio	Subprogramme 4 / DTIE
Country project in Jamaica on the impact of trade liberalization in the sugar sector on biodiversity.	Subprogramme 4 / DTIE
Country project to promote environmentally sound water and wastewater provision at the community level in Jamaica.	Subprogramme 4 / DTIE
Field demonstration project in Ecuador assess the impact of domestic and foreign subsidies on the Ecuadorian tuna sustainability and trade.	Subprogramme 4 / DTIE
Integrated Solid Waste Management Plan in Novo Hamburgo, Brazil	Subprogramme 4 / DTIE
National stakeholder workshop in Mexico on hazardous chemicals from open burning of waste.	Subprogramme 4 / DTIE
Pilot demonstration on the application of phytotechnology to improve water quality in Bocaina City, Sao Paulo, Brazil	Subprogramme 4 / DTIE
Project in Central America on innovative approaches for sustainable tourism development in natural and cultural heritage areas.	Subprogramme 4 / DTIE
Project to Promote environmentally sound water and wastewater provision at the community level in Jamaica	Subprogramme 4 / DTIE
Promotion of sustainable transport in Latin America through demonstration projects in selected cities of Panama, Chile and Guatemala.	Subprogramme 4 / DTIE
Regional meeting on the Strategic Approach to International Chemicals Management (SAICM) to discuss arrangements for SAICM implementation in the countries of the region.	Subprogramme 4 / DTIE
Regional workshop on exploring possibilities for the use of Pollutant Release and Transfer register (PRTR) in Persistent Organic Pollutants (POPs) and pesticides monitoring and development of a regional PRTR project for the MERCOSUR region.	Subprogramme 4 / DTIE
Regional Workshop on planning and implementation of sustainable transport, Guatemala.	Subprogramme 4 / DTIE
Regional workshop on SAICM implementation- development of legal and institutional infrastructures on sound management of chemicals, Panama.	Subprogramme 4 / DTIE
Consultative meeting of the Focal points of the Latin American Technical cooperation Network on National Parks and other protected Areas.	Subprogramme 5 / DRC

## Latin America and the Caribbean

Fellowships and scholarships to the International Course on Coastal Zone Management at the University of Guadalajara, Mexico (Recipients from Chile, Colombia, Ecuador, Peru).	Subprogramme 5 / DRC
Fellowships to the Latin American Congress of Herpetology(Recipients from Argentina)	Subprogramme 5 / DRC
Fellowships to the Leadership for Environment and Development (LEAD) Programme in Cuba (Recipients from Cuba, Mexico)	Subprogramme 5 / DRC
Organization and technical support to workshops for the implementation of the Bio-Trade Project in Haiti and the Dominican Republic.	Subprogramme 5 / DRC
Regional training on legal aspects of Coastal Management.	Subprogramme 5 / DRC
Regional training workshop for Environmental Video Library technicians	Subprogramme 5 / DRC
Regional training workshop on Restoration and Conservation of Natural Resources and Hydrological and forest Watershed Management.	Subprogramme 5 / DRC
Regional workshop on Opportunities and challenges in recognition of Environmental Services in Latin America.	Subprogramme 5 / DRC
Scholarships to the International course on Agro-forestry for Eco-development at the University of Chapingo, Mexico (Recipients from Brazil, Chile, Peru, Ecuador, Cuba, Dominique Republic )	Subprogramme 5 / DRC
Subregional TUNZA workshop meetings for Mesoamerica & Spanish speaking Caribbean, Andean and South Cone Subregions.	Subprogramme 5 / DRC
Sustainable Public Procurement Training Course for MESCOSUR countries (Argentina, Brazil, Paraguay, Uruguay) to develop capacities on sustainable Public Procurement.	Subprogramme 5 / DRC
Technical and policy guidance to meetings of CAMRE Technical teams for the purpose of enhancing compliance with and enforcement of MEAs on Climate change, Chemical &Wastes and Biodiversity & Desertification.	Subprogramme 5 / DRC
Technical Assistance and preparation of the Management of Risks to Sustainability of Coastal Aquifers in the Caribbean SIDS Project for Jamaica, Dominican Republic, Cuba and Haiti	Subprogramme 5 / DRC
Technical assistance in the design of capacity building project for judges to protect biodiversity in Jamaica, Haiti and Dominican Republic	Subprogramme 5 / DRC
Technical assistance in the development of training courses for Environmental Journalists in Haiti, Mexico and Colombia.	Subprogramme 5 / DRC
Technical assistance in the establishment of the Sustainable Consumption and Production (SCP) Network for the Latin American and Caribbean region	Subprogramme 5 / DRC
Technical assistance to Costa Rica for the development of new legislation on solid Waste Management and Disposal.	Subprogramme 5 / DRC
Technical inputs to Seminar on Climate Change: Sustainable Management of the Amazonic Bioma	Subprogramme 5 / DRC
Technical inputs to the National Congress of Environmental Management in Costa Rica.	Subprogramme 5 / DRC
Technical inputs to the Third Symposium and Exhibition on Cleaner Production in Panama	Subprogramme 5 / DRC
Technical inputs to Workshop of Trade and Environment for Caribbean Countries.	Subprogramme 5 / DRC
Technical support for Agroforestry course in Chapingo University, Mexico.	Subprogramme 5 / DRC
Technical support for workshop on Underground Waters, Panama.	Subprogramme 5 / DRC

---

## Latin America and the Caribbean

Technical support to the development of the project Implementing of Synergies for Multilateral Environment Agreements related to Biodiversity in selected countries of Latin America and the Caribbean.	Subprogramme 5 / DRC
Training Course for Nodes of the Sustainable Consumption and productions network for LAC	Subprogramme 5 / DRC
Training workshop for the Peruvian Public Prosecutors on Environmental Crimes	Subprogramme 5 / DRC
Workshop on guidelines for Development of Policy and Programs on National Sustainable Consumption and production (SCP) in Latin America and the Caribbean.	Subprogramme 5 / DRC
Workshop on Managing Risk and Climate Change Adaptation, Costa Rica	Subprogramme 5 / DRC
Workshop on Rainwater Catchment for rural women community leaders in Guatamala.	Subprogramme 5 / DRC
Training workshop for the Media in Mexico.	Subprogramme 6 / DCPI

## West Asia

### Servicing / conducting meetings

Consultative meetings on Education for sustainable Development	Subprogramme 5 / DRC
Expert Group meetings on Climate Change.	Subprogramme 5 / DRC
Expert Group meetings on regional guidelines and manual for economic valuation of coastal and marine resources in the Red Sea and Gulf of Aden	Subprogramme 5 / DRC

### Networks, partnerships

Regional environmental information network – WA.	Subprogramme 1 / DEWA
--	-----------------------

### Web based applications

West Asia GEOPortal; <a href="http://www.unep.org/geo/data/westasia">http://www.unep.org/geo/data/westasia</a>	Subprogramme 1 / DEWA
--	-----------------------

### Reports, Publications

Sub-regional Gulf integrated environmental assessment.	Subprogramme 1 / DEWA
--	-----------------------

### Technical cooperation

Technical assistance to Qatar, Jordan, Yemen and Syria in developing environmental indicators and a framework for integrated environmental assessment.	Subprogramme 1 / DEWA
Organisation of regional sulphur meeting, Bahrain.	Subprogramme 3 / DEPI
Support to national activities for low sulphur standards in targeted countries in the region.	Subprogramme 3 / DEPI
Industrial pollution and CO2 emission abatement project in Jordan.	Subprogramme 4 / DTIE
International workshop to promote sustainable fish products.	Subprogramme 4 / DTIE
Pilot project for alternative energy utilization for drinking water provision in Iraqi Marshlands.	Subprogramme 4 / DTIE
Pilot project for water quality and wetland improvement in Iraqi Marshlands.	Subprogramme 4 / DTIE
Regional consultations on options for control of mercury in the Gulf countries, Qatar.	Subprogramme 4 / DTIE
Solar and wind energy resource assessment for the United Arab Emirates.	Subprogramme 4 / DTIE
Training awareness programme for the Iraqi Marshlands to support the organization of local initiatives on marshland management focusing on the impacts of daily activities of the residents such as solid waste management.	Subprogramme 4 / DTIE

## West Asia

Training course on sustainable management of the Iraqi Marshlands.	Subprogramme 4 / DTIE
National workshop on Environmental Management of coastal Areas	Subprogramme 5 / DRC
Provision of capacity building training workshops for the Federal Agency in the United Arab Emirates as part of the national capacity building initiative.	Subprogramme 5 / DRC
Regional Symposium for the Safe Management of Chemicals, Damascus, Syria	Subprogramme 5 / DRC
Regional workshop on Human Health and Coastal and Marine Ecosystem	Subprogramme 5 / DRC
Technical assistance at the regional level in terms of the Partnership for Clean Fuels and Vehicles (PCFV), including the Gulf Cooperation Council Clean Fuel Conference in Manama, Bahrain and the Gulf Standards Organization Meeting in Doha, Qatar	Subprogramme 5 / DRC
Technical assistance to Bahrain towards the 2nd National Communication of Bahrain to Climate Change Convention.	Subprogramme 5 / DRC
Technical assistance to Qatar in the development of the Qatar National Environment Strategy.	Subprogramme 5 / DRC
Technical assistance to Qatar in the hosting of the Montreal Protocol MOP20	Subprogramme 5 / DRC
Technical assistance to the Bahrain International circuit on the Goes Green Project	Subprogramme 5 / DRC
Technical assistance to the development of a regional environmental education strategy for the West Asia Region with CAMRE/ISESCO.	Subprogramme 5 / DRC
Technical assistance to the development of a regional programme and pilot project in e-waste with CAMRE and CEDARE.	Subprogramme 5 / DRC
Technical assistance to the implementation of regional and sub-regional meetings under the UNDA funded EIA project	Subprogramme 5 / DRC
Technical assistance to the Mercury Programme in the West Asia region	Subprogramme 5 / DRC
Technical guidance to the steering committee for the Qatar Environmental Performance Award	Subprogramme 5 / DRC
Technical inputs in the Future of Sustainability Debate in the Arab Region: Voices from the South in Egypt.	Subprogramme 5 / DRC
Technical inputs to regional meetings relating to MEAs and Biodiversity including COP10 of the RAMSAR Asian Regional Meeting, 5th Session of Agricultural, Land and Water use Commission for near East Region and the UNEP-GEF Bio-safety Clearing house Sub-re	Subprogramme 5 / DRC
Technical inputs to the Regional Integrated Water Resources Management (IWRM) meeting in Bahrain	Subprogramme 5 / DRC
Technical inputs to workshops and events on Climate Change, Sustainable Development, Water and Energy Efficiency in the West Asia region	Subprogramme 5 / DRC
Technical policy guidance to the CAMRE technical teams for the purpose of enhancing compliance with MEAs	Subprogramme 5 / DRC
Technical support to capacity building workshop for the Arab countries on National Biodiversity Strategies and Action Plans and Mainstreaming of Biodiversity	Subprogramme 5 / DRC
Technical support to Iraq in the Accession process to the Vienna convention and Montreal Protocol in line with the Iraq Law to join the convention.	Subprogramme 5 / DRC
Technical support to the environmental Quality Monitoring System Project in Lebanon	Subprogramme 5 / DRC
Technical support to the Expert meeting on developing a framework for the sustainable development of Lake Jabboul held in Aleppo, Syria.	Subprogramme 5 / DRC
Training workshop on Eco-tourism, Syria	Subprogramme 5 / DRC

---

## West Asia

Workshop on role of NGOs in the protection of Biological Resources and Biodiversity Subprogramme 5 / DRC

---

## All regions

### Tools, Manuals, Information materials

Analytical tools and methodologies for assessment of vulnerability to climate change, disaster and risk vulnerability. Subprogramme 1 / DEWA

---

GEO cities methodology manual customised for EECCA and SEE countries:Europe and West Asia: Subprogramme 1 / DEWA

---

Improved IEA assessment methodologies reflecting resource efficiency including enhancing T-21 planning model at national level Subprogramme 1 / DEWA

---

Land Cover Classification System (LCCS) Manual Subprogramme 1 / DEWA

---

Methodology for the Assessment of international waters (in cooperation with DGEF)[ECO] Subprogramme 1 / DEWA

---

Methods manual for MA approach for sub-global assessments. Subprogramme 1 / DEWA

---

Regionally customised versions of GEO Resource Book (5 regions). Subprogramme 1 / DEWA

---

Access and benefit Sharing in Practice: trends in partnerships across sectors. Subprogramme 2 / DELC

---

Improved systems for MEA "knowledge management" for use by governments, MEA Secretariats and other stakeholders. Subprogramme 2 / DELC

---

Issue based module on sustainable use to support coherent implementation of relevant decisions of biodiversity-related conventions at national level. Subprogramme 2 / DELC

---

Policy briefs for awareness rising on farmers and the future of agrobiodiversity; governance and agriculture; innovations and impacts on agrobiodiversity; poverty and agriculture; agriculture and climate change; biofuels; investing in agriculture. Subprogramme 2 / DELC

---

An environmental and sustainable tourism teaching pack for the hospitality industry; <http://www.unep.fr/shared/publications/cdrom/DTIx1043xPA/> Subprogramme 4 / DTIE

---

Climate change adaptation and mitigation in the tourism sector; frameworks, tolls and practices; <http://www.unep.fr/shared/publications/pdf/DTIx1047xPA-ClimateChange.pdf>. Subprogramme 4 / DTIE

---

Compendium of Technologies for Converting Plastic Waste into Resource Subprogramme 4 / DTIE

---

Compendium of technologies for converting waste agricultural biomass into a resource. Subprogramme 4 / DTIE

---

D4S s Step by Step Approach ,a publication on industrial product development to help improve the sustainability of products and services. Subprogramme 4 / DTIE

---

Methodology for assessing the costs and benefits of national climate change mitigation and adaptation policies, and Subprogramme 4 / DTIE

---

Sustainable building priorities. Subprogramme 4 / DTIE

---

Sustainable procurement for lighting; <http://www.unep.fr/shared/publications/pdf/WEBx0125xPA-EfficientLighting.pdf> Subprogramme 4 / DTIE

---

Training manuals on development of an integrated solid waste management (ISWP) plan; Part I: waste characterization and quantification with future projections; Part II: assessment of current waste management system and gaps therein; Part III: targets and Subprogramme 4 / DTIE

---

Youth Xchange – 2nd edition; <http://www.unep.fr/shared/publications/pdf/DTIx0655xPA-YXCguide08EN.pdf>. Subprogramme 4 / DTIE

---

---

## All regions

Development of UNEP strategy on Indigenous Peoples together with partner UN and Indigenous People's organizations.	Subprogramme 5 / DRC
<b>Servicing / conducting meetings</b>	
Expert group meeting to develop a draft programme to help in the enhancement of the capacity of developing countries using the south-south cooperation mechanism.	Subprogramme 3 / DEPI
Civil Society Consultative Meetings to build and/or strengthen the capacity of civil society organizations in regions to prepare them for inputs into the 9th Civil Society forum.	Subprogramme 5 / DRC
Expert Group meeting for the European Commission capacity Building Programme related to the MEAs in Africa, Caribbean and Pacific countries.	Subprogramme 5 / DRC
Expert Meetings of the Technical Advisory Committee on Geo-Spatial Information and Earth Observation systems of the Working Group on Environmental Indicators.	Subprogramme 5 / DRC
International conference on the impact of Climate Change on mountain ecosystems and role of mountains as indicators of climate change.	Subprogramme 5 / DRC
Organization and servicing of regional meeting for the Global Civil Society Forum and annual meeting of UNEP national committees.	Subprogramme 5 / DRC
<b>Networks, partnerships</b>	
Global climate observing system.	Subprogramme 1 / DEWA
Global Environmental Monitoring System (GEMS) – Water Network	Subprogramme 1 / DEWA
Partnerships with world-class scientific and technical institutions for provision of technical support based on requests from governments.	Subprogramme 1 / DEWA
<b>Special Events</b>	
International Children's Conference on the Environment and children and youth campaigns to raise awareness of environmental issues.	Subprogramme 6 / DCPI
<b>Web based applications</b>	
Antarctic Bioprospector database of details of research and commercialised products arising from biological samples from Antarctic region; <a href="http://www.bioprospector.org/bioprospector/antarctica/home.action">http://www.bioprospector.org/bioprospector/antarctica/home.action</a>	Subprogramme 1 / DEWA
GEO resource book / Integrated Environmental Assessment E-learning modules.	Subprogramme 1 / DEWA
Global data support service for environmental assessments and reporting; <a href="http://www.unep.org/geo/data">http://www.unep.org/geo/data</a>	Subprogramme 1 / DEWA
Global Environment Alert Service on environmental changes.	Subprogramme 1 / DEWA
Human Environment Index – progress towards environmental management.	Subprogramme 1 / DEWA
Web-based mapping application for renewable energy.	Subprogramme 1 / DEWA
Database on national SCP programmes, initiatives and indicators <a href="http://www.unep.fr/scp/nap/clearinghouse/">http://www.unep.fr/scp/nap/clearinghouse/</a>	Subprogramme 4 / DTIE
Eco-labeling database and training kit, <a href="http://fr1.estis.net/sites/eco-label/">http://fr1.estis.net/sites/eco-label/</a> .	Subprogramme 4 / DTIE
On-line life cycle management navigator for small and medium size enterprises.	Subprogramme 4 / DTIE
Sustainable buildings database.	Subprogramme 4 / DTIE
UNEP's Climate Neutral Network; <a href="http://www.climateneutral.unep.org/cnn_frontpage.aspx?m=49">http://www.climateneutral.unep.org/cnn_frontpage.aspx?m=49</a>	Subprogramme 6 / DCPI
<b>Reports, Publications</b>	
Assessment of impacts and adaptation to climate change.	Subprogramme 1 / DEWA

---

## All regions

Report on liability and compensation on environmental damage.	Subprogramme 2 / DELC
Guidelines on South-South cooperation in ecosystems approaches in water.	Subprogramme 3 / DEPI
<b>Technical cooperation</b>	
Agreement for the provision technical cooperation and North-South scientific professional exchanges.	Subprogramme 1 / DEWA
Training of trainers Global workshop on Integrated Environmental Assessment and Reporting	Subprogramme 1 / DEWA
Certificate course of advanced studies in environmental diplomacy, Switzerland.	Subprogramme 2 / DELC
In collaboration with University of Joensuu, 5th training course on international environmental law-making and diplomacy, South Africa.	Subprogramme 2 / DELC
Contribution to environment and migration programme targeted at regions vulnerable to disasters, out-migration and social instability.	Subprogramme 3 / DEPI
Co-organisation of UNEP/UNESCO/BMU international training programme on environmental management for developing and emerging countries.	Subprogramme 3 / DEPI
Fact-finding missions, jointly with OCHA, to identify identify and mitigate acute environmental risks to human health stemming from specific emergencies and related secondary risks.	Subprogramme 3 / DEPI
Organisation of technical workshops to address the sustainable use of forest and terrestrial ecosystem services.	Subprogramme 3 / DEPI
Support to city networks to support governments to address climate change.	Subprogramme 3 / DEPI
Technical advice and assistance to developing countries and Small Island Developing States to develop and implement national policies, legislation and action plans for the conservation and sustainable management/use of coral reefs and other vulnerable bio	Subprogramme 3 / DEPI
Technical assistance to national and local governments in better management of ecosystems and reduction of biodiversity by 2010 in cities.	Subprogramme 3 / DEPI
Assessment of financial risk management instruments for renewable energy projects.	Subprogramme 4 / DTIE
Assistance in barrier-removal for climate-friendly technologies in developing countries.	Subprogramme 4 / DTIE
Capacity building workshops on environmental management for professionals from tourism-accommodation sector and on energy efficiency benchmarking for hotels.	Subprogramme 4 / DTIE
Capacity building workshops on Sustainable Consumption and Production (SCP) national programmes and linkages with already existing country driven national programmes and strategies.	Subprogramme 4 / DTIE
Co-organisation of international workshop on wildlife trade policy reviews, Switzerland.	Subprogramme 4 / DTIE
Co-organisation of technical workshop on WTO disciplines on fisheries subsidies	Subprogramme 4 / DTIE
Global Network on Energy for Sustainable Development (GNESD) to promote policies and solutions that expand access to energy through the provision of environmentally sound energy services and to promote information exchange, policy support and capacity build	Subprogramme 4 / DTIE
International review workshops for the country projects on integrated assessment of trade-related policies and biodiversity in the agricultural sector, Switzerland.	Subprogramme 4 / DTIE
Post Bali international dialogue on trade, climate and development.	Subprogramme 4 / DTIE
Project on developing compendium of technologies to convert waste agricultural biomass into a resource.	Subprogramme 4 / DTIE

## All regions

Projects in Peru, Mali and Philippines on sustainable consumption and Production (SCP) for poverty alleviation	Subprogramme 4 / DTIE
Renewable Energy Policy Network for the 21st century (REN21) to promote policies to increase the wise use of renewable energy worldwide.	Subprogramme 4 / DTIE
Sustainable Energy Finance Initiative (SEFI) activities to promote, facilitate and support increased investment in energy efficiency and renewable energy.	Subprogramme 4 / DTIE
The Solar Water Heating Market Transformation and Strengthening Initiative activities for increasing financing flows to renewable energy projects and help structure project financing mechanisms.	Subprogramme 4 / DTIE
Training and capacity building sessions on design and application of Sustainable Consumption and Production (SCP) tools in developing countries	Subprogramme 4 / DTIE
Training for trainers seminar on sustainable tourism in natural and cultural heritage sites	Subprogramme 4 / DTIE
Training workshop and capacity building seminar on sustainable and energy efficient buildings and implementing Sustainable Building and Construction (SBC) policy tools	Subprogramme 4 / DTIE
Workshop on integrated solid waste management in Japan for participants from developing countries..	Subprogramme 4 / DTIE
Workshop on international payments for ecosystem services, Germany.	Subprogramme 4 / DTIE
Consultative meeting of the European Commission programme Capacity Building for the implementation of MEAs in African, Caribbean and Pacific Countries.	Subprogramme 5 / DRC
International seminar on Judicial Protection of Water Resources in Tianjin, China.	Subprogramme 5 / DRC
Inter-regional workshop on South-south cooperation on waste management, law and governance in Bali, Indonesia.	Subprogramme 5 / DRC
Masters scholarships at AIT and Tongji University.	Subprogramme 5 / DRC
Technical assistance to the Mountains of the World Conference in Muscat, Oman.	Subprogramme 5 / DRC
Technical assistance to the Zayed International Prize for the Environment on the implementation of the 4th cycle and preparation for the 5th cycle in Dubai, United Arab Emirates.	Subprogramme 5 / DRC
Technical assistance to the International conference on Judicial Protection of Waters, China	Subprogramme 5 / DRC
Technical inputs to International meeting on Sustainable Lifestyle and Cleaner Production in Yasnaya Polyana, Russia Federation.	Subprogramme 5 / DRC
Technical inputs to the 5th Dubai International Humanitarian Aid and Development Conference and Exhibition.	Subprogramme 5 / DRC
Technical inputs to the First World Summit of Regions on Climate Change in France	Subprogramme 5 / DRC
Technical inputs to the Global Travel and Tourism Summit in Dubai, United Arab Emirates.	Subprogramme 5 / DRC
Technical inputs to the International Congress on Eco-efficient and Competitive Business in Colombia.	Subprogramme 5 / DRC
Technical inputs to the International Symposium on Environment in Havana, Cuba.	Subprogramme 5 / DRC
Technical inputs to the Shanghai International Conference on Development and Environment Protection, China	Subprogramme 5 / DRC
Technical inputs to Water Tribune of Expo, Zaragoza	Subprogramme 5 / DRC

---

## All regions

Training of workers and trade unions on climate change its consequences on employment, and trade union action, and sound and sustainable management of chemicals in Africa, Eastern Europe, Latin America and the Caribbean, and Asia and the Pacific.	Subprogramme 5 / DRC
Advisory services to major sporting bodies and organising committees to promote the integration of environmental considerations in the organisation of major sporting events: 2008 Beijing Olympic Games, 2010 FIFA World Cup, and 2014 Sochi Winter Olympic Ga	Subprogramme 6 / DCPI
Advisory services to the 2008 Global Forum for Sport and Environment (G-ForSE) in Alicante, Spain , addressing the connection between sport and climate change	Subprogramme 6 / DCPI
Internship and volunteer programme to allow young people to learn about environmental issues and advise UNEP on how to engage young people in its work	Subprogramme 6 / DCPI
Technical support to all registered institutions to the Online Access to Research in the Environment (OARE) project; <a href="http://www.oaresciences.org/">www.oaresciences.org/</a>	Subprogramme 6 / DCPI
