Did you know?

Every dollar spent on energy efficient buildings could yield three dollars in savings.

Source: UNEP, 2012

THE FUTURE IS PRICELESS: SWITCH TO EFFICIENT BUILDINGS
Did you know?

Every dollar spent on energy efficient buildings could yield three dollars in savings.

THE FUTURE IS PRICELESS: SWITCH TO EFFICIENT BUILDINGS

GODNEW:

In INDIA, it will be mandatory for all state governments to implement by 2017 the minimum requirements for energy efficient design and construction set by the central government. (Source: USAID, 2014)
