

Erratum to: *“Near-term Climate Protection and Clean Air Benefits: Actions for Controlling Short-Lived Climate Forcers”*

This is an erratum to the UNEP Report: UNEP 2011. Near-term Climate Protection and Clean Air Benefits: Actions for Controlling Short-Lived Climate Forcers, United Nations Environment Programme (UNEP), Nairobi, Kenya.

In the sentence on page xiii of the executive summary:

“If fully implemented by 2030, the 16 measures are estimated to reduce global warming between 2010 and 2040 by about 0.4°C (this study)⁴ to 0.5°C (from the Integrated Assessment of Black Carbon and Tropospheric Ozone, UNEP/WMO, 2011).

The number “2040” should read “2050”.
