

Available Layers for Mozambique

<i>Name</i>	<i>Description</i>	<i>Projection</i>	<i>Scale</i>
Administration & Infrastructure			
Districts	Districts of the coastal zone (100 Km from the	Geo	1:250,000
Districts, Mozambique	District of the whole of Mozambique, The scale is different from the scale in the MzDis.shp coverage.	Geo	Unknown
Lighthouses	Location of buyos and Lighthouses. More information is given in the Ports.mdb	Geo	GPS Coordinates
Localities	Localities (administrative division) of the coastal zone (within 100 Km of the Sea).	Geo	1:250,000
Localities, Mozambique	Localities of the whole of the country, the coverage is not very detailed. The scale is different from the mzloc.shp coverage	Geo	Unknown
Mozambique	Boundary of Mozambique.	Geo	1:2,000,000
Ports	Location of Seas ports. More information in the ports.mdb database.	Geo	GPS Coordinates
Provinces	Contains the province boundaries of the coastal zone. (approx. 100 Km from the sea)	Geo	1:250,000
Provinces, Mozambique	Provinces of the whole of the country, the coverage is not very detailed. The scale is different from the mzloc.shp coverage	Geo	Unknown
Railways	Location of railways in the coastal zone of Mozambique.	Geo	GPS Coordinates
Roads	Location of coastal Roads.	Geo	1:250,000
Study Area (EAF/14)	Shows the extent of the area of interest for the UNEP EAF/14 project	Geo	1:250,000
Towns	Coastal Towns and settlements, in the coastal zone of Mozambique.	Geo	1:250,000
Biological Resources			
Coral reefs	Location of coral reefs.	Geo	1:200,000
Dugong sites	Based on the macrodiagnostic Report of the coastal zone in Mozambique - MICOA. The location of the occurrence of Dugongs as shown on the map is based on the written description.	Geo	Unknown
Florc	Forestry in the central coastal zone of Mozambique.	Geo	1:1,000,000
Florn	Forestry in the northern coastal zone of Mozambique.	Geo	1:1,000,000

<i>Layer Name</i>	<i>Layer Description</i>	<i>Projection</i>	<i>Scale</i>
Flors	Forestry in the southern coastal zone of Mozambique.	Geo	1:1,000,000
Climate			
Climatic stations	Locations of climatic stations in the country. Additional information in the climate (MzClimat.mdb) database.	Geo	GPS Coordinates
Geomorphology & Geology			
Soils	Soils of the Coastal Zone in Mozambique. Attributes are: USDA, FAO Classification, Declive, Sols Depth, Geological Characteristics, drainag, salinity, % organic Matter, limitations for Agriculture and texture.	Geo	1:1,000,000
Geology	Location of geological units in the coastal zone of Mozambique.	Geo	1:1,000,000
Quarries	Location of quarries in the coastal zone of Mozambique.	Geo	1:2,000,000
Hydrology			
Groundwater	Indicates areas not favourable for water caption in the coastal zone of Mozambique . Classification in Mountaneous areas and areas with saltish or brakisch water.	Geo	1:2,000,000
River, Major	Major coastal rivers of Mozambique.	Geo	1:250,000
River, Minor	Minor coastal river of Mozambique.	Geo	1:250,000
Lakes	Coastal lakes.	Geo	1:250,000
Boreholes	Location of boreholes in the coastal zone of Mozambique. Classification is given in potable or not potable water.	Geo	1:2,000,000
Lake, Niassa	Niassa Lake, bordering Malawi	Geo	Unknown
