ANNOTATED PROVISIONAL AGENDA

Item 1. Opening of the session/forum

1. The twenty-second session of the Governing Council/Global Ministerial Environment Forum will be opened at 10 a.m. on Monday, 3 February 2003, by the President of the Council at its twenty-first session or, in his absence, by one of the other officers of the Council at its twenty-first session.

Item 2. Organization of the session/forum

(a) Election of officers

2. The Governing Council elects its officers at the beginning of each regular session, in accordance with rule 18 of its rules of procedure. The geographical composition of the Bureau from 1981 to 2003 was distributed together with the notification on 15 November 2002.

3. In keeping with a decision taken by the Governing Council at its twenty-first session, the session/forum will be held over five days. Informal consultations in regional groups will be held on Sunday, 2 February 2003, the day before the opening of the session/forum.

(b) Adoption of the agenda and organization of the work of the session/forum

4. The provisional agenda (UNEP/GC.22/1) for the session/forum, as approved by the Council at its twenty-first session was distributed together with the notification on 15 November 2002. The provisional timetable of meetings of the session/forum, as proposed by the Executive Director of the United Nations Environment Programme (UNEP), is contained in annex to the present document.

5. The Executive Director recommends that the session/forum at its plenary meeting on the morning of Monday, 3 February, establish sessional committees, including a Committee of the Whole. The Executive Director also recommends that the plenary of the Council meet in the form of ministerial-level consultations, beginning on Wednesday, 5 February, through the morning of Friday, 7 February 2003. On the afternoon of Friday, 7 February, the session/forum will meet in its closing plenary meeting.

6. The Executive Director recommends that the plenary consider the following items: 4 (a) (State of the environment); 4 (b) (Emerging policy issues); 6 (Outcome of the World Summit on Sustainable Development); 7 (Linkages among and support to environmental and environment-related conventions); and 10 (Provisional agenda, date and place of the eighth special session of the Governing Council/Global Ministerial Environment Forum and the twenty-third session of the Governing Council/Global Ministerial Environment Forum). The Committee of the Whole, if established, could deal with items 4 (a) (State of the environment); 4 (c) (Coordination and cooperation within and outside the United Nations, including non-governmental organizations); 4 (d) (The role of civil society); 4 (e) (International environmental governance); 5 (Follow-up of General Assembly resolutions); 8 (Contribution to future sessions of the Commission on Sustainable Development); and 9 (Programme, the Environment Fund and administrative and other budgetary matters). In support of the discussions of the plenary on the state of the environment, chemicals, trade and environment, water as well as cultural diversity and the environment, the Executive Director will provide background papers (UNEP/GC.22/5 and UNEP/GC.22/10) on these subjects.

7. The Committee of the Whole will elect its own officers, in accordance with rule 61 of the rules of procedure, with the exception of the Chair. In the past, the Council has designated one of the vice-presidents of the Council as the Chair of this sessional committee. The Council may, therefore, wish to consider designating one of the three vice-presidents of the session/forum to serve as Chair of this Committee.

8. In addition, the Executive Director recommends that items 3 (Credentials of representatives); 11 (Other matters), 12 (Adoption of the report) and 13 (Closure of the session/forum) be considered in the plenary meeting on the afternoon of Friday, 7 February.
9. It is recommended that, at its opening meeting, the Council elect its officers for the session/forum and adopt the agenda and organization of work of the session/forum. Finally, during this opening plenary meeting, the Executive Director will present his policy statement (UNEP/GC.22/9).
10. The Executive Director proposes that immediately after the formal opening of the session/forum, the plenary begin its consideration of provisional agenda items 4 (a) and (b). From the afternoon of Monday, 3 February, the plenary and the Committee of the Whole will meet concurrently. This arrangement will facilitate the delivery of the statements of delegations at the plenary with respect to provisional agenda items 4 (a) and (b), 6, 7, as well as 10, and allow the Committee of the Whole to begin its consideration of provisional agenda items 4 (a), (c), (d) and (e), 5, 8 and 9. It is envisaged that the Committee of the Whole will conclude its work at its afternoon meeting on Thursday, 6 February, with the adoption of its report.
11. Pursuant to General Assembly resolution 53/242 of 28 July 1999, the Governing Council constitutes an annual ministerial-level global environmental forum to review important and emerging policy issues in the field of the environment. In view of this mandate, the Executive Director recommends that the plenary of the fourth Global Ministerial Environment Forum meet in the form of ministerial-level consultations, beginning with a brief opening ceremony on the morning of Wednesday, 5 February, with meetings continuing through the morning of Friday, 7 February 2003.
12. In order to set the scene for policy dialogue on the important and emerging policy issue of poverty alleviation, the environment and sustainable development in a globalized world, the Executive Director recommends that the ministerial-level discussions address the theme "Implementation of the outcomes of the World Summit on Sustainable Development". Following the opening ceremony on the morning of Wednesday, 5 February, a discussion on the New Partnership for Africa's Development (NEPAD) will be conducted at ministerial level. The afternoon ministerial consultations will focus their discussions on the regional implementation of the outcomes of the World Summit on Sustainable Development for UNEP's work. In the morning meeting of Thursday, 6 February, the discussion will focus on the promotion of sustainable production and consumption patterns, while the afternoon discussions will focus on "The state of the environment - the living natural resource base to fight poverty: UNEP contribution to the biodiversity commitments of the World Summit on Sustainable Development". A panel discussion in the form of a working dinner for ministers and heads of delegation is proposed for the evening of Wednesday, 5 February, to consider the linkages between poverty and the environment. The Executive Director will act as facilitator to these discussions and will provide Governments with background papers (UNEP/GC.22/8) to help in the discussions.

Item 3. Credentials of representatives

13. In accordance with rule 17 of the rules of procedure, the credentials of representatives at the twenty-second session of the Council will be examined by the Bureau, which will report thereon to the Council. It should be noted that, under rule 16, each member of the Council is to be represented by one accredited representative, who may be accompanied by alternate representatives and advisers.

Item 4. Policy issues

14. The Council is invited to hold a general discussion on the policy issues raised in the documentation for this item. The Council will have before it the draft decisions on these policy issues provided by the Committee of Permanent Representatives to UNEP.

15. As a basis for its discussion, the Council will have before it the following reports of the Executive Director: State of the global environment and contribution of the United Nations Environment Programme to efforts to address environmental challenges (UNEP/GC.22/2); Policy responses of the United Nations Environment Programme to tackle emerging environmental problems (UNEP/GC.22/3); and Implementing the outcome of the world Summit on Sustainable Development: International environmental governance (UNEP/GC.22/4).

Item 10. Provisional agenda, date and place of the eighth special session of the Governing Council/Global Ministerial Environment Forum and the twenty-third session of the Governing Council/Global Ministerial Environment Forum

27. In keeping with paragraph 1 (g) of Governing Council decision 20/17 and paragraph 6 of General Assembly resolution 53/242 on environment and human settlements, the nature and frequency of the meetings of the Governing Council have been changed. The United Nations Task Force on Environment and Human Settlements recommended that in alternate years, the Forum should take the form of a special session of the Governing Council, meeting in different regions, and that regional issues should feature prominently on the agenda. On the basis of that recommendation, the Executive Director proposes, in keeping with rules 5 and 9 of the rules of procedure of the Governing Council, a provisional agenda, date and venue for the convening of the eighth special session of the Governing Council/Global Ministerial Environment Forum and the twenty-third session of the Governing Council/Global Ministerial Environment Forum.
