

## PLENARY 6: PRESENTATION AND ADOPTION OF THE "COMMON FRAMEWORK FOR ACTION" AND FINAL RECOMMENDATIONS

Tuesday 17th January

Chaired by Lucien Royer of the Trade Union Advisory Committee to the OECD (TUAC), this session deliberated and discussed the Draft Framework for Action presented by John Evans, also from TUAC, on behalf of the Steering Committee of the Assembly.

Several participants offered comments and a few amendments to the Draft were proposed.

The Assembly unanimously adopted the draft, as amended, as the outcome document of the Assembly.

After the resolution was adopted, John Evans proposed to the Assembly to convey a request to the Environment Minister of Spain, asking her to communicate the Assembly's message to UNEP Global Ministerial Environmental Forum/Governing Council in February 2006 in Dubai. This proposal was endorsed by the Assembly.
