# POST CONFLICT ASSESSMENT

...IN LEBANON, UNEP IS ASSESSING THE SEVERITY OF ENVIRONMENTAL DAMAGE CAUSED BY THE CONFLICT IN 2006...

Environmental assessments have been conducted in several post-conflict settings, including the Balkans, Afghanistan, Lebanon, the Occupied Palestinian Territories, Sudan, and Iraq. Following the assessments, UNEP offers technical advice and training to reduce risks to health and livelihoods, as well as to integrate environmental needs into the peacebuilding process.
