

Cleaner Vehicle Fleets in Central and Eastern Europe Training for REC Country Offices

Regional Environmental Center for Central and Eastern Europe

Szentendre, Hungary

Friday 19 September 2008

Agenda

8:30 Registration of participants

9:00 Welcome and tour de table

9:15 Session 1: Sustainable transport and the importance of cleaner fleet management

- United Nations Environment Programme (UNEP) and Regional Environmental Center for Central and Eastern Europe (REC) cooperation on cleaner fuels and vehicles
- Transport and the environment: energy, air quality and climate change
- Cleaner, more efficient vehicles – the role of fleets and fleet managers

10:30 Coffee Break

10:45 Session 2: Presentation of the cleaner fleet management toolkit

- Overview at purpose and function of the toolkit
- In-depth look at the tools available
- Understanding the 'Inventory and Options Tool #18'

13:00 Lunch

14:00 Session 3: The toolkit in practice

- The experience of TNT Turkey, by Turgut Yildiz, Country General Manager, TNT Express Turkey
- Development of cleaner fleet strategies

15:00 Coffee Break

15:15 Session 4: Applying the toolkit in your country programmes

- Discussion – targeting fleets and fleet managers
- UNEP and REC support

17:00 Close

Note to participants:

- Check if the Toolkit CD is working on the laptop you bring with you to the training session (if any)
- If you have a specific fleet that you would like to work with in your country, contact Rogier Jacobs, UNEP (Rogier.jacobs@unep.org) to incorporate your fleet example into the training session.
- In case you have a special subject you would like to be talked about, for example hybrid electric vehicles or fuel qualities, please inform us in advance (Rogier.Jacobs@unep.org)
- For toolkit-related questions, please write to CleanFleet@unep.org
- For logistical questions related to the meeting organization itself, please contact Tamas Kristof Kallay (TKallay@rec.org)
