

International Workshop on Ultra-Low Sulfur and Low Carbon Vehicle Fuels

July 29-30, 2010

Kempinski Hotel Beijing, China

Agenda

Day 1 July 29, 2010 (Thursday)	
8:30-9:00	Registration
9:00-9:20	<p>Opening remark Ms. Song Xiaozhi Deputy Director Department of International Cooperation, Ministry of Environmental Protection(MEP)</p> <p>Dr. Young-woo Park Regional Director and Representative for Asia and the Pacific, United Nations Environment Programme (UNEP)</p>
Section 1 Strategic Development of Clean Fuels and Vehicle Pollution Control	
9:20-9:40	<p>Motor Vehicle Pollution Control and Low Sulfur Fuel Progress in China Mr. Wang E'yi Department of Pollution Prevention and Control, MEP</p>
9:40-10:00	<p>International and Chinese Best Practices in Vehicle Pollution Control Policies Mr. Michael P. Walsh The International Council on Clean Transportation</p>
10:00-10:20	<p>Exploration on Effective Vehicle Emission Reduction Approach for the "Twelfth Five-Year" Period Mr. Tang Dagang Vehicle Emission Control Center of MEP</p>
10:20-10:30	Q&A
10:30-10:40	Tea Break
Section 2 Challenges From Low Sulfur and Low Carbon Vehicle Fuels	
10:40-11:00	<p>US Efforts: Low Sulfur and Low Carbon Fuels Mr. John Guy US Environmental Protection Agency</p>
11:00-11:20	<p>European Experiences on Low Sulfur and Low Carbon Vehicle Fuel Development Mr. Paul James Greening</p>

	European Automobile Manufacturers' Association
11:20-11:40	Upgrading Process for Clean Motor Gasoline in China Mr. Long Jun Research Institute of Petroleum Processing, SINOPEC
11:40-12:00	Developments and Challenges of Low Sulfur and Low Carbon Fuel in Asia Ms. Sophie Punte Clean Air Initiative for Asian Cities Center
12:00-12:10	Q&A
12:10-2:00	Lunch
Section 3 Vehicle Fuel Quality Supervision and Incentive Policies	
2:00-2:20	American Experience on Vehicle Fuel Quality Supervision and Management Mr. Gerry Estrada Southwest Research Institute
2:20-2:40	Fuel Quality Management Practices Mr. Clarence Woo Asian Clean Fuels Association
2:40-3:00	Global Fuel Quality Developments with Focus on Asia Pacific Ms. Huiming Li International Fuel Quality Center
3:00-3:20	China Fuel Quality and Comments for Supervision SGS
3:20-3:30	Q&A
3:30-3:40	Tea Break
Section 4 Further Development and Technical Support	
3:40-4:00	Control Hazardous Materials in Vehicle Fuels and Improve Fuel Economy and Environmental Protection Level Mr. Bao Xiaofeng Chinese Research Academy of Environmental Sciences
4:00-4:20	The Condition of Motor Vehicle Pollution Control and the Development of Low Sulfur and Low Carbon Vehicle Fuels in Beijing Mr. Li Kunsheng Beijing EPB
4:20-4:40	Improving Air Quality in China-A Multi Stakeholder Approach Volkswagen China
4:40-4:50	Q&A
4:50-5:00	Summary Speech

**International Workshop on Ultra-Low Sulfur and Low
Carbon Vehicle Fuels**

July 29-30, 2010

Day 2 July 30, 2010 (Friday) Chairman: Tang Dagang	
	Discussion on Vehicle and Fuel Problems During the Twelfth “Five-Year” Period
9 : 00-11 : 30 The workshop organizer will make further notice for the participators of this conference.	Topic: Vehicle Pollution Control Goal and Clean Fuel Requirement During the Twelfth “Five-Year” <ul style="list-style-type: none">a. Implement of China IV and China V vehicle emission standards;b. Establishing China IV diesel fuel standard;c. Different implement program for China IV gasoline and diesel standards (key regions);d. Price incentive for high quality motor fuel.
11:30	Lunch
