Conference on the progress made in the phase-out of leaded gasoline in Sub-Saharan Africa (5 to 7 May 2004)

MINISTERIAL SESSION

Prior to the Ministerial Session, on 5 and 6 May, a Technical Session will be organised that will discuss the progress made thus far and suggest actions for the way forward. The outcomes of the Technical Session, in the form of recommendations to the Ministerial Session, will be presented to the Ministerial Session.

During the Ministerial Session, on 7 May, Ministers of Environment and Ministers of Energy of Sub-Saharan African countries will discuss the progress made thus far and the way forward on the basis of the report of the Technical Session. Find below the agenda for the Ministerial Session.
