

Lessons Learned

- Goals are clear, measurable, and achievable
 - Metrics needed as go forward
- All key stakeholders involved
- Annual meeting keeps momentum/commitment/focus
- UNEP's involvement is key: neutral broker, with global focus; high-level support
- Clearinghouse: good team/excellent work
- Regional approaches, with in-country pilots and follow-up
- Political buy-in/mandate at high level, with on-the-ground implementation and follow-up, including work with local champions
- Communicate, communicate, communicate...
