

Title Index

101 facts about deserts	15
African enclosures?: the social dynamics of wetlands in drylands	65
Ariaal pastoralists of Kenya: studying pastoralism, drought, and development in Africa's	3
Arid land and the role of pastoral nomads in the economic, and political integration of the Horn of Africa, with particular reference to Ethiopia (Occasional papers series)	4
Arid lands geomorphology	2
Assessment of drylands and desertified areas in the islamic republic of Iran	63
Biodiversity in drylands: toward a unified framework	61
Capitalizing on the bio-economic value of multi-purpose medicinal plants for the rehabilitation of drylands in Sub-Saharan Africa	39
Combating desertification with plants	41
Data sets, indicators, and methods to assess land degradation in drylands: report of the LADA e-mail conference, 9 October - 4 November 2002	53
Desertification combat and food safety: the added value of camel producers	29
Desertification control bulletin : a bulletin of world events in the control of desertification,restoration and degraded lands and reforestation	43
Desertification control: in the arid ecosystem of India for sustainable development	44
Desertification in the third millennium : proceedings of an international conference, Dubai, 12-15 February 2000	25
Deserts : the living drylands	58
Deserts and semideserts	12
Deserts and wastelands	21
Deserts of the earth : extraordinary images of extreme environments	19
Deserts: gardens of sand	16
Deserts: surviving in the Sahara	23
Deserts: the living drylands	22

Deserts	11,14
Development of an action plan for the environment initiative of the New Partnership for Africa's Development (NEPAD) : programme areas 1 and 6 : combating land degradation, drought and desertification, and cross-border collaboration ; Combating land degradation, drought and desertification, and cross-border collaboration	46
Dryland ecohydrology	52
Dryland farming	56
Drylands	60
Dryland's end	59
Ecosystems and human well-being : desertification synthesis	24
Ecosystems dynamics, ecosystem-society interactions, and remote sensing applications for semi-arid and arid land (proceedings of SPIE)	9
Ecosystems Dynamics, Ecosystem-Society Interactions, and Remote Sensing Applications for Semi-Arid and Arid Land	33
Energy from the desert: feasibility of very large scale photovoltaic power generation	17
Enhancing social sustainability in activities to combat desertification: a manual for reflection	37
Gender and sustainable development in drylands: an analysis of field experiences	30
Geoengineering in arid lands: proceeding of the 1st international conference on geotechnical geoenvironmental engineering & management in arid lands, Al Ain, UAE, nov 4-7, 2000	5
Geotechnical and geoenvironmental engineering in arid lands	1
Global alarm: dust and sandstorms from the world's drylands	64
Human impact on desert environment	20
International seminar on nuclear war and planetary emergencies 24th session: hiv/aids vaccine needs, biotechnology, neuropathologies, development sustainability-focus Africa, climate and weather predictions	42
Jojoba: new crop for arid lands, new raw material for industry	7
Land degradation and desertification	38
Land Degradation Assessment in Drylands - LADA Project: Meeting Report, 23-25 January 2002	34

Land degradation assessment in drylands - LADA project: meeting report, 23-25 January 2002	54
Land Degradation: Papers Selected from Contributions to the Sixth Meeting of the International Geographical Union's Commission on Land Degradation and Desertification	28
Life in the deserts	13
Mediterranean Desertification: A Mosaic of Processes and Responses	31
More water for arid lands: promising technologies and research opportunities	6
Policy Integration for Complex Environmental Problems: The Example of Mediterranean Desertification	27
Properties and management of drylands (land and water digital media)	55
Rainwater harvesting for drylands: guiding principles to welcome rain into your life and landscape	57
Rangeland desertification	26
Reducing West Africa's vulnerability to climate impacts on water resources, wetlands, and desertification: elements for a regional strategy for preparedness and adaption	40
Renforcer la durabilite sociale des actions de lutte contre la desertification: un manuel pour la reflexion	36
Report of the United Nations Development Programme (UNDP) to the third session of the Committee for the Review of the Convention (CRIC 3), 2-11 May 2005, Bonn, Germany (3rd)	45
Success stories in the struggle against desertification : a holistic and integrated approach to environmental conservation and sustainable livelihoods	47
Sustainable development in drylands: geographical contributions to a better understanding of people--environment relationships	62
Sustainable dryland farming : combining farmer innovation and medic pasture in a mediterranean climate	50
The Archaeology of Drylands: Living at the Margin	49
The arid lands	10
The Causes and Progression of Desertification	32
The deserts of Africa	18

The gardens of their dreams: desertification and culture in world history	35
The impact of climate change on drylands: with a focus on West Africa, vol. #39	51
Water-related technologies for sustainable agriculture in arid/semiarid lands: selected foreign experience	8
Workshop to launch the thematic programme network on renewable sources of energy and environmentally sound technologies within the context of the regional action programme to combat desertification in Africa, TPN 5, Nairobi, Kenya, 5-6 May 2004 : general report	48
