

# World Environment Day 2007

## Environment Care Pledges

On World Environment Day - 5th June, staff and visitors at Lakeside made pledges to be more environmentally friendly in their own little ways. These are the pledges:

I promise to turn off the tap when brushing my teeth.

I promise to put a water saving device in my toilet system.

I will wait until the dishwasher is full before switching it on.

I promise to use a reusable shopping bag when I shop rather than plastic carriers.

I promise to do anything to help the environment to be saved by recycling, not using the car too much and much more.

I promise to plant a seed.

I promise to bug my parents for a recycling box so I can recycle things instead of throwing everything away.

I promise to do anything to help the environment by recycling.

I pledge to switch all the lights off when I'm not in the room.

I will buy a bike and conquer my fear of Finchley Road!

To use a reusable shopping bag when I shop.

I promise to recycle everyday.

I promise to help the environment as much as I can.

I promise to do washes at 30 degrees from TODAY.

I promise to switch the computer off to save energy.

I promise to recycle all necessary

I promise to share car journeys to work with a colleague, cycle or use public transport.

I will have quicker shower.

I will turn off the light when not needed.

I promise to turn the central heating lower.

Replace bulbs with energy saving bulbs.

I pledge to green commute to work as often as possible.
